Piano Syllabus 2009-2011

Introduction

This syllabus contains full details of Grade examinations in Piano and Piano Accompanying and Certificate examinations in Piano Duet and Piano – Six Hands.

It is valid from 1 January 2009 to 31 December 2011. A new syllabus will be published in July 2011 with requirements from 2012. When this syllabus is replaced there will be an overlap for the first session **only** of 2012, during which candidates will be able to offer pieces from the 2009-2011 lists.

Solo Certificate examinations have replaced the previously available First Concert Certificate and Performer's Certificate. Please see box below for further information.

Entering an examination

Examinations are normally conducted at either a Public Centre (entry through a Local Representative) or as an examiner visit (in cases where a minimum examination fee has been met). Further details are available online at www.trinityguildhall.co.uk or directly from Trinity's Head Office. For first-time entrants, the publication *Graded Music Examinations – A Guide for Teachers and Students* (available free of charge from Trinity's Head Office or Local Representatives) helps to clarify the examination process from start to finish.

Conduct of examinations

Candidates will be sent an appointment sheet prior to the examination. This will state the time, date and place of examination and should be taken to the examination by the candidate. Candidates should fill out the appointment sheet as instructed and hand it to the examiner on entering the examination room.

Examinations may not be recorded by candidates and mobile phones must be left outside the examination room. Audiences are not permitted in any Trinity Guildhall examination.

Information and Regulations

Full details of entry procedures, examination regulations and marking criteria are given in a separate leaflet *Information and Regulations* which is available directly from Trinity's Head Office, Centre Representatives or from our website www.trinityguildhall.co.uk This leaflet is updated annually and candidates should ensure that they consult the current version of this document for the year of entry.

Entry for examination should not be made without first consulting this document.

Grade Examinations

Structure

Trinity Guildhall's practical examination grades are numbered from 1 to 8 in increasing order of difficulty. In Piano, an Initial examination acts as an introduction to the examination system.

The structure of grade examinations is as follows:

Pieces

Candidates play three pieces, chosen from the published list(s).

Technical Work

Pianists must play three short exercises and a number of scales and arpeggios.

Supporting Tests

For Piano examinations there are two further tests:

Up to and including Grade 5, candidates may choose any two tests from Aural, Sight Reading, Improvisation, Musical Knowledge.

In Grades 6, 7 and 8, Test 1 must be Sight Reading. For Test 2 there is a choice between Aural and Improvisation.

At the examination, candidates should note on the Appointment Sheet which test(s) have been chosen.

For Piano Accompanying (only available at grades 5, 6, 7, 8), there are no options for supporting tests. Test 1 is of Sight Reading and Test 2 is of Keyboard Musicianship.

For Certificate examinations in Piano Duet and Piano – Six Hands please see page 46.

Order of examination

Scales will normally be asked before pieces. Candidates wishing to present their examination in any other order may do so, but must write their preferred sequence on the back of the appointment slip and indicate this on entering the examination room. This choice does not extend to cases where the syllabus stipulates the location of any item.

Duration

Level	Duration in minutes
Initial	10
Grade 1	11
Grade 2	11
Grade 3	12
Grade 4	16
Grade 5	16
Grade 6	22
Grade 7	22
Grade 8	27

Marking

The maximum marks available for all Graded Piano examinations are as follows:

Piece 1	22
Piece 2	22
Piece 3	22
Technical Work	14
Test 1	10
Test 2	10
TOTAL	100

Pass is awarded at 60

Merit is awarded at 75

Distinction is awarded at 87

The mark out of 22 for each piece is made up of three component marks, awarded for:

- **Notational Accuracy & Fluency (7 marks):**

How well the notes are prepared and realised. More conveniently thought of as: 'Me and the Music'.

- **Technical Facility (7 marks):**

Instrumental control and the ability to draw the most from the instrument; tone colour, articulation, pedalling etc: 'Me and the Instrument'.

- **Communication (8 marks):**

How well the candidate interprets the music, engages the audience and conveys a sense of the meaning of the music they are playing: 'Me and the Audience'.

For more detail please see the 'Mark Scheme and Assessment Criteria' sections in the current *Information and Regulations* booklet, which is available direct from Trinity's Head Office, Centre Representatives or from the website www.trinityguildhall.co.uk

Pieces

Repeats, ornaments & tempi

All pieces should be prepared in full unless otherwise stated, but repeats of more than a few bars should be omitted unless instructed otherwise in the syllabus or examination publications. All *da capo* and *dal segno* instructions should be observed, as should first- and second-time bars (of moderate length) where the first-time bar contains significant musical material. Cadential trills and other ornamentation appropriate to the style of the music are encouraged at all levels, and particularly in the higher grades. Metronome marks are given merely as a guide to performance, and candidates should observe terms showing the tempo and/or character of the music (e.g. *Lento*, *Allegro*) in their performance.

Page-turners

The examiner will not be able to act as a page-turner. Difficult page-turns should be overcome by photocopying the relevant pages. A page-turner, who must not be the teacher or a close relative of the candidate, may assist in Grades 6–8 and Certificate examinations if necessary, but may remain in the examination room only whilst (s)he is needed.

Playing from memory

Candidates are free to play any or all of their pieces from memory, and to do so may well improve the security of their knowledge and their ability to communicate. It is not obligatory, however, and no separate marks are given for memorisation. Candidates who play from memory must ensure that an original copy of the music performed is brought to the examination for the examiner's reference.

Music and copies

It is strongly recommended that original copies of music needed for examinations are obtained before an examination entry is made; allowances cannot be made for delays in obtaining music. Candidates may use any reputable edition of the works listed in the syllabuses; publishers' details are given mainly for the purpose of identifying works and also as suggestions of suitable editions. Candidates should always try to obtain reliable and authoritative editions of all music, but should note that variations in worldwide availability may occasionally be encountered. For example, items listed in this syllabus as published by Faber will be found in some countries as Alfred or, occasionally, Warner Chappell publications. Candidates are advised always to check the contents of books before purchase. Publishers' contact details are given at the end of this syllabus.

Candidates must perform from published material in the examination room; photocopies of complete pieces may not be used in examinations. If candidates or accompanists perform from photocopies unauthorised by the publisher (other than short extracts to facilitate page-turning), no marks will be awarded for that item.

Examiners of grade examinations welcome the provision of reference copies of pieces not published by Trinity Guildhall. Photocopies can legitimately be used for this purpose; any copies provided will be retained by the examiner and destroyed after the examination.

Own Composition

Candidates may offer their own composition in place of a listed piece where indicated in the syllabus. This must be performed as the last of their group of pieces so that the questions on the piece may follow immediately afterwards.

Content

The composition should follow the specification given, and must be of a similar technical and artistic level to the other pieces performed. The use of pre-recorded material or other instruments is not allowed. The piece should be substantially the candidate's unaided work, although the teacher may offer guidance as necessary. Candidates and teachers are advised to take note of the Levels of Achievement statements in the current *Information and Regulations* booklet when preparing own compositions. The timings given at each level should be observed carefully; credit will be lost if compositions fall appreciably short of or exceed the indicated timespan.

Notation

The complete composition must be written out in the candidate's own hand (or be produced and printed by the candidate using a score-writing program). At Grades 1-5, the composition may be presented in any coherent form of notation. For compositions at Grades 6-8 staff notation is essential. Marks will be deducted if the notation is incomplete or technically inaccurate or if the performance varies significantly from what is written. Candidates must present a (photo)copy of the piece, which the examiner will keep, with name and candidate number clearly shown.

Assessment

After the performance, the examiner will ask the candidate to explain how the piece was composed and will ask further questions about the notation and structure. Sixteen marks are awarded for the performance and six for clarity of explanation, structure and presentation.

The specific requirements are listed below.

Composition requirements—grade by grade:

Grade	Duration	Requirements
Initial	1-2 minutes	A piece containing sudden changes
1	1½-2½ minutes	A piece containing sudden dynamic contrast
2	1½-2½ minutes	A piece contrasting <i>legato</i> and <i>staccato</i> passages
3	1½-2½ minutes	A piece which starts quietly and simply, and builds to a loud, grand climax
4	2½-3½ minutes	A piece with long melodic phrases in both hands (though not necessarily at the same time)
5	2½-3½ minutes	A piece containing many wide leaps
6	3½-4½ minutes	A piece using a variety of pedal effects
7	3½-4½ minutes	A piece featuring octaves in both hands
8	4½-5½ minutes	A piece featuring at least two contrapuntal voices

Technical Work

The purpose of this section of the examination is to encourage the development of the necessary technical skills for the performance of pieces. Candidates should aim for accuracy at an appropriate and even pace. Higher marks are given for attention to musical shaping, and the promptness and confidence of delivery.

The requirements for each grade are given in the main body of the syllabus. The technical work for Piano Accompanying comprises prepared excerpts from mainstream repertoire, chosen to represent a variety of techniques associated with accompaniment.

All scales and arpeggios must be performed in similar motion, ascending then descending, with the right hand playing one octave above the left hand (unless otherwise stated).

Playing from memory

Scales and arpeggios must be performed from memory. The exercises in part iii) of the Technical Work section for each grade may be played either from memory or using the music printed in the book of Selected Examination Pieces.

Minor scales

Up to and including Grade 2, candidates may choose to play *either* harmonic *or* melodic *or* natural minor scales. In Grades 3, 4 and 5 candidates have a choice of harmonic *or* melodic and in Grades 6, 7 and 8 both harmonic *and* melodic minors must be prepared.

Tempi for scales and arpeggios

A minimum pace is required, increasing gradually grade by grade. Rhythmic patterns are all even quavers in pairs or 4s (except for Grade 1 which requires triplet broken chords). Full details of scale patterns are given in the two volumes of Piano Scales and Arpeggios. The fingering in the scale books is advisory but not compulsory; any logical fingering pattern giving a smooth legato is acceptable.

Grade	Scales	Broken Chords & Arpeggios	Scales in thirds	Dom. & dim. sevenths
Initial	♩ = 60	–	–	–
Grade 1	♩ = 70	♩ = 50	–	–
Grade 2	♩ = 80	♩ = 60	–	–
Grade 3	♩ = 90	♩ = 70	–	–
Grade 4	♩ = 100	♩ = 80	–	–
Grade 5	♩ = 110	♩ = 90	–	–
Grade 6	♩ = 120	♩ = 100	♩ = 60	♩ = 100
Grade 7	♩ = 130	♩ = 110	♩ = 70	♩ = 110
Grade 8	♩ = 140	♩ = 120	♩ = 80	♩ = 120

Supporting Tests

Sight Reading

Sight Reading tests are set at the level of a piece prescribed approximately two grades lower than the grade undertaken; for instance, Grade 5 candidates will be given a piece of c. Grade 3 level. Tests meet the parameters below.

Candidates will be allowed 30 seconds to study the test before they attempt it. During this time they may practise short sections and may clap or tap the rhythm. The examiner will only take account of the actual performance of the test.

Aural

Four tests are given for each grade (two for Grade 8), designed to develop the candidate's abilities in the fields of musical perception, discrimination, memory, understanding, analysis and response. The tests, which are all based on the same example to encourage a deepening of knowledge, are carefully graded from basic skills to more advanced understanding.

NB Tests for Initial and Grade 1 are all in major keys; Grades 2–5 and 8 may be in major or minor. Grade 6 tests are major and Grade 7 are minor.

Initial

1. To sing, hum or whistle the final note of a 4-bar melody in $\frac{2}{4}$ time, played with the final note omitted. The note should be sung in strict time. The key chord will be sounded before the melody is played. In all circumstances this note will be the tonic.
2. To clap back the rhythm of the melody after hearing it played twice again.
3. To identify, after another hearing, whether the melody was played mainly *legato* or *staccato*.
4. To identify, after hearing again three consecutive notes from the melody, which of the three was the highest or lowest.

Grade 1

1. i) To clap back the rhythm of a four bar melody in $\frac{2}{4}$, or $\frac{3}{4}$ time, played twice;
ii) to state the time signature.
2. To state, after hearing the melody again, whether the last note was higher, lower or the same as the first note.
3. To state, after hearing the melody again, whether the melody was played mainly *legato* or *staccato*.
4. To listen to the melody played twice more, first as originally heard and then with a change to the pitch at one point, and indicate where the change occurs. Candidates will not be required to describe the change.

Grade 2

1. To listen once to a short melody in $\frac{2}{4}$, or $\frac{3}{4}$ and to indicate a sense of the pulse and time signature during a second playing. Candidates should respond by either conducting clearly, using a simple, conventional, beat-shape or alternatively by other methods, provided the strong beats are indicated distinctly. The examiner will bring the candidate in at the start of the second playing.
2. To state, after hearing the melody again, whether the last note was higher, lower or the same as the first note.
3. To listen to the complete melody again and to state,
 - i) whether it was in a major or minor key;
 - ii) the dynamic level at the start and how it changed during the piece. *Crescendo* and *diminuendo* may be included.
4. To listen to one half of the melody played twice more, first as originally heard and then with a change in the rhythm or melody, and to identify the type of change made.

Grade 3

1. To listen once to a short melody in $\frac{3}{4}$, or $\frac{4}{4}$ and to indicate a sense of the pulse and time signature during a second playing. Candidates should respond by either conducting clearly, using a simple, conventional, beat-shape or alternatively by other methods, provided the strong beats are indicated distinctly. The candidate may begin right at the start, or can join in once the melody is under way.
2. To identify the interval formed by the first two notes of the melody, played from low to high and held as a sounding interval as a major second, minor third, major third, perfect fourth or perfect fifth. (All diatonic, from within the key.) Candidates may sing (or hum) the notes before answering.
3. To identify a triad played by the examiner as being either major or minor. The notes will be sounded together.
4. A printed copy of the melody will be handed to the candidate. The examiner will then play the original followed by a version (played twice) containing one change of pitch or rhythm. The candidate will be invited to indicate the bar in which the change occurred in the rhythm or melody.

Grade 4

1. To listen once to a short melody in $\frac{4}{4}$, or $\frac{6}{8}$ with a simple accompaniment and to indicate a sense of the pulse and time signature during a second playing. Candidates should respond by either conducting clearly, using a simple, conventional, beat-shape or alternatively by other methods, provided the strong beats are indicated distinctly.
2. To identify the interval formed by the first two notes of the melody, played consecutively, as:

a unison	a perfect fourth
a minor second	a perfect fifth
a major second	a minor sixth
a minor third	a major sixth
a major third	

Candidates may sing or hum the notes before answering.

3. To listen to the piece again and to identify the cadence at the end as being either perfect or imperfect.
4. A printed copy of the melody line only will be handed to the candidate. The examiner will then play this, followed by a version (played twice) containing two changes, one of pitch and one of rhythm. The candidate will be invited to indicate the bars in which the changes occurred and to describe them.

Grade 5

1. To listen twice to a short piece of music in $\frac{2}{4}$, $\frac{3}{4}$ or $\frac{6}{8}$ played twice, and state:
 - i) the time signature;
 - ii) if it began in the major or minor;
 - iii) if the tonality changed as the piece progressed, and if so, how.

After a further playing of the closing section of the piece, whether the cadence at the end was perfect, imperfect or interrupted.

2. To identify the interval formed by 2 notes selected by the examiner from the melody line, played consecutively, as:

a unison	a perfect fifth
a minor second	a minor sixth
a major second	a major sixth
a minor third	a minor seventh
a major third	a major seventh
a perfect fourth	an octave

Candidates may sing or hum the notes before answering.

3. To listen to the piece again and to comment on the articulation and the dynamics.
4. A printed copy of the complete piece will be handed to the candidate. The piece will be played once more as originally heard and then twice with two changes to the 'top' line; one to the rhythm and one to the melody. The candidate will be asked to locate and describe the changes.

Grade 6

1. To listen to a short piece in a major key in $\frac{2}{4}$, $\frac{3}{4}$, $\frac{4}{4}$ or $\frac{6}{8}$ played twice, and state the time signature. Candidates will be invited to comment on the main features of the piece such as phrasing, style and dynamics. The candidate will have the opportunity to give comments after the first and/or second playing at their discretion.
2. To listen to the closing bars of the piece and identify its cadence as perfect, imperfect, plagal or interrupted.
3. To listen again to a part of the piece which modulates and state into which key the music has modulated. Keys used will be confined to dominant, subdominant and relative minor. The opening key will be stated and the tonic chord played before the start. Answers may be given as either key or technical names (e.g. in C major: 'To G' or 'To the dominant').
4. A printed copy of the piece will be handed to the candidate, who will be invited to compare this with a version played twice by the examiner containing two changes. These will be in the melody line only and may be to the rhythm, the pitch or the articulation. The candidate should identify the location and nature of the changes.

Grade 7

1. To listen twice to a short piece in a minor key and comment on the main features of the piece such as style, phrasing, articulation and dynamics. The candidate will have the opportunity to give comments after the first and/or second playing at their discretion.
2. To listen to a phrase from the piece and identify its cadence as perfect, imperfect, plagal or interrupted.
3. A printed copy of the first section of the piece will be handed to the candidate, who will be invited to compare this with a version played twice by the examiner containing three changes. These may be in the pitch (of the melody line only) or the rhythm. The candidate should identify and explain the changes.

4. To listen to the piece played with a modified ending and identify the key to which the music has modulated. The opening key will be stated and the key-chord played. Keys used will be limited to the sub-dominant minor, the relative major and the dominant of the relative major (e.g. G major in A minor). Answers may be given as key names or technical names. Part of the piece may be omitted by the examiner for clarity if appropriate.

Grade 8

1. A short piece will be played twice. The candidate will be invited to describe the significant features of the piece, such as style, rhythm, texture, dynamics, phrasing and articulation. Candidates are encouraged to make observations after the first playing and to supplement these after the second. This section will take the form of a short discussion with the examiner; credit will be given for the depth of perception in the candidate's comments.
2. A printed copy of the entire piece will be handed to the candidate and played by the examiner, who will then play twice a version containing three changes which may be in the rhythm, melody, harmony, articulation, dynamics or tempo. The candidate will be invited to identify and explain the changes. Changes may occur in the treble or bass clef lines, or both. The original version, as supplied to the candidate, will be played again, before the version with the changes.

NB In all sections of the Aural Tests that involve the examiner handing the candidate a printed copy of the test, candidates and teachers should note that the copy will be a laminated page, which may not be marked by the candidate in any way whatsoever during the examination.

Improvisation

The improvisation tests explore the candidate's ability to respond creatively to a musical stimulus offered by the examiner as a rhythmic, melodic or chordal cell.

Outline and Test Parameters

According to the candidate's choice of test, the examiner will tap the rhythm or play the pitches or chords on the piano, and will also give a notated copy of the relevant test to the candidate which the candidate can refer to throughout the test. In this way both auditory and visual learners will be assisted to produce their best possible response.

Candidates selecting the chord-based option will be given a copy of the chord symbols, which will first be played through by the examiner. They may then improvise, accompanying themselves by playing simply the bass note, or more of the notes of the chords, according to grade and ability. As an alternative, candidates playing keyboard instruments may ask the examiner to play the chord pattern, whilst they improvise higher up the keyboard.

In every case the stimulus has been designed to allow a genuinely free creative improvisation and to avoid the implication of a 'mirror image' response. At all grades the stimuli seek to provide a wide range of improvisatory possibilities, whilst avoiding excessive complication within themselves. The greatest credit will be given for candidates who most effectively incorporate elements of the stimulus into their improvisation, showing creativity and good instrumental knowledge and ability.

Format

Candidates may select any one of the following types of test:

- either* melodic: based on a series of pitches
- or* rhythmic: based on a rhythmic idea
- or* chordal: based on a set of chord symbols.

The parameters are given in the chart overleaf.

Melodic Tests

The examiner will give the candidate a copy of a series of written pitches and will play it through twice with each pitch lasting for about 2 seconds. The candidate should play the pitches back to the examiner, and then prepare and perform a short phrase incorporating these pitches.

Rhythmic Tests

The examiner will give the candidate a written version of an opening rhythm and then play it twice. Candidates should repeat it on their instrument using one pitch and then prepare and perform a piece of music based on this rhythm, adding melodic material as appropriate. Instrumental range used should reflect the parameters for melodic tests in the chart overleaf.

Chordal Tests

The examiner will give the candidate a copy of a 2-stave piano score containing chords (written out without a time signature, but with bar lines) and chord symbols printed above each chord. The examiner will play this through twice, establishing a moderate pulse with each chord played as 4 crotchets per bar (or 2 crotchets where more than one chord appears in a bar). The candidate should then prepare and perform a short improvisation over the given chords. Candidates can choose to use the tempo and meter that the examiner played, or to request a quicker or slower tempo and a $\frac{3}{4}$, $\frac{4}{4}$ or compound 'feel' if they prefer.

Piano candidates may choose to perform the improvisation as a solo incorporating the chord pattern or may request that the examiner plays the chords while they improvise above them. The phrase may be repeated several times, depending on length and speed, until the improvisation reaches a natural conclusion.

Written Keys for Chordal Tests

Initial to Grade 3	Grades 4 & 5	Grades 6, 7 & 8
C, F and G major	A, D, E, G and B minor	C, F, G, B \flat , D, E \flat and A major plus relative minors

Notes

Up to Grade 5, candidates will be given 30 seconds preparation time during which they may play and/or sing to develop their response. The examiner will then request that they begin their improvisation. At Grades 6-8 this preparation time is extended to 60 seconds.

Marks are awarded for planning, structure, form, melodic, harmonic & rhythmic creativity, inventiveness and logical progression, appropriate length and use of instrumental resources. For piano 'instrumental resources' implies the use of both hands, using either chords or dividing the material between the hands.

Candidates should regard the note values and ranges given as the minimum that will be expected, but may extend these if they wish. The length of the response is given as a guide only, and the candidate should aim to perform a musically satisfying and balanced response.

Preparation for examination

A document giving example responses and guidance on expectations is available to download from the website www.trinityguildhall.co.uk. In addition, the improvisation course laid out in the *Repertoire* and *Etudes* books of the *American Popular Piano* series by Christopher Norton (published by Novus Via Music) provides structured and progressive preparation for this section of the examination.

Musical Knowledge (Initial-Grade 5 only)

These questions test the candidate's understanding of their chosen pieces, the context of their performance and their knowledge of their instrument and its technical demands, including best practice for rehearsal and performance.

Questions, each worth 2 marks, will normally be asked in 5 areas.

Questions will include discussions on most of the areas mentioned, but not all parameters will be relevant to all disciplines and pieces, and examiners will select questions as relevant.

For melody line instrumentalists and singers, questions will be based only on the instrumental/vocal line, and not on the accompaniment.

It is the intention that candidates demonstrate their knowledge by reference to the printed score, rather than by reproducing previously prepared answers. If annotations to the printed score are so extensive as to preclude a reasonable range of questions, the report may be referred to Head Office for review or the examiner may award no marks for the section.

Initial

1. The pitch names, and durations of any notes (excluding those with leger lines except middle C) in the pieces played.
2. Clefs, stave, bar lines and key/time signatures in the pieces played.
3. Very simple musical terms and signs in the pieces, such as \curvearrowright , 'repeat', ***f*** and ***p***.
4. Questions about the connection between the titles of the pieces and the music played (e.g. what is a Minuet? Why is this piece called 'Squabble'?)

NB Candidates at Initial will only be expected to identify, but not to explain, items in 2. above.

Grade 1

1. Pitch names, note types (e.g. minim) and durations of any notes in the pieces played, including dotted notes and any leger lines.
2. Clefs, time/key signatures and any common musical term/sign encountered.

Certificate Examinations for Piano Duet & Piano – Six Hands

Structure

Piano Duet and Piano – Six Hands Certificate examinations consist of a performance without technical work or supporting tests, and are particularly popular with pianists seeking experience and validation of the ensemble experience.

The items are presented as a concert performance for which a written programme is presented to the examiner at the start. Spoken introductions may also be given to each piece. The quality of the programme choice and planning is assessed, as is the stagecraft and presentation.

Examinations are available at 3 levels:

First Recital Certificate (FR) – approx. Grade 3

Intermediate Recital Certificate (IR) – approx. Grade 5

Advanced Recital Certificate (AR) – approx. Grade 8

A balanced programme of four pieces is selected to demonstrate the technical, musical and interpretative range of the players' abilities. The programme choices represent a wide stylistic and historical cross-section of the instrument's repertoire. A time limit is set and should be closely observed (to within 10%). Candidates should ensure that their overall timings include breaks between pieces.

Certificate	Duration in minutes
First Recital Certificate	15
Intermediate Recital Certificate	20
Advanced Recital Certificate	30

Candidates for Certificate examinations *must* provide for the examiner a copy of each piece that they are performing. These copies must be the same edition as the candidates' version. Photocopies (made at the candidates' expense) can legitimately be used for this purpose, unless the performance is being given entirely from memory in which case originals must be provided. Photocopies given to the examiner will be retained and destroyed after the examination.

Programme Planning and Notes

Examiners will award marks for the artistry and effectiveness of the programme's design and the balance of contrasts in styles and tempi within the programme. Written and (where applicable) spoken material will be considered in relation to the quality of the writing of the programme notes, the accuracy, interest and appropriateness of the points made and the degree of care taken with the presentation of the material.

Candidates are required to provide examiners with a neatly printed or typed copy of their programme, including timings for each item and a short written programme note on each item, 40-80 words for First Recital Certificate, 60-120 words for Intermediate Recital Certificate and 100-150 words for Advanced Recital Certificate. Alternatively, candidates may introduce each item of their programme. If spoken, each introduction should be given directly before the piece to which it relates. Notes may be used but candidates should not read from a fully written-out text. Notes or introductions should focus mainly on the context and content of the chosen works.

All notes or introductions must in all cases be the candidate's own unaided work.

Stagecraft and Presentation

In this section examiners will assess the way that the performers behave while 'on stage', their awareness of and interaction with other members of the performing group and the ensemble skills they show. In addition their sense of occasion and their personal presentation will be appraised. Both candidate and accompanist should dress smartly and appropriately, as for a public performance, school concert etc. If appropriate, school uniform may be worn.

Marking

The mark scheme of the examination is as follows:

Piece 1	22 marks
Piece 2	22 marks
Piece 3	22 marks
Piece 4	22 marks
Programme planning and notes	6 marks
Stagecraft and presentation	6 marks

The mark thresholds are as follows:

Distinction	87
Merit	75
Pass	60
Below Pass 1	45
Below Pass 2	33

The same criteria are applied to the performance of pieces as for Graded examinations, and are set out in a separate leaflet *Information and Regulations* which is available direct from Trinity Guildhall's Head Office, Local Representatives or from the Trinity Guildhall website www.trinityguildhall.co.uk. This also contains details of the criteria applied to the assessment of Programme Planning and Notes and Stagecraft and Presentation.

For Piano Duet and Piano – Six Hands examinations, **one** written report will be issued for each ensemble, and each member will receive a certificate.

A teacher may not take part in a Piano Duet or Piano – Six Hands examination.

Solo Certificate examinations

Certificate examinations for solo piano are available at three levels:

- Foundation** (standard around Grade 3)
- Intermediate** (standard around Grade 5)
- Advanced** (standard around Grade 8)

For full details, including repertoire and guidelines, please visit the Trinity Guildhall website www.trinityguildhall.co.uk/CertificateExams

Please note: These examinations replace the previously existing First Concert Certificate and Performer's Certificate examinations.
